Keeping in mind that students can develop their personality only when they get an opportunity in their field of interest, we are given a platform according to their field of interest. Through the Student council, students get opportunities to work with college admin members. It helps to develop their leadership. Students are appointed to various posts in the Student Council. The members of student's council give their contribution in colleges and internal colleges' competition, work shop, Seminars. The main purpose of formation of student's council in college, is to awareness about the social problems, about the various activities in the academic field.
