Waste Management Policy

Our college is dedicated to fostering an environmentally responsible campus through comprehensive waste management practices. We are committed to minimizing waste generation, promoting recycling and reuse, ensuring safe disposal of waste, and educating our community on sustainable practices. This policy outlines our strategic approach to achieving these goals and creating a cleaner, greener campus environment.

1. Minimize Waste Generation: Implement practices to reduce the amount of waste produced.
2. Promote Recycling and Reuse: Encourage recycling and the reuse of materials.
3. Safe Disposal: Ensure safe and environmentally friendly disposal of waste.
4. Awareness and Education: Educate the college community on effective waste management practices.
5. Waste Reduction: Encourage paperless communication and digital submissions.
6. Recycling: Provide clearly labeled recycling bins for paper, plastics, metals, and glass throughout the campus.
7. Composting: Set up composting facilities for organic waste, including food scraps from cafeterias and garden waste.
